Mr. Haviland Wood

Dear Sir.

I have been asked by Mr. Paul Thomsen of the Virgin Island National Bank, St. Croix, to send him any books that deals with the Coinage of the West Indies. Mr. Thomsen has a nearly complete collection of the Coinage of the Danish West Indies and also a good collection from the other islands. Will you be

kind enough to let me know if it is possible to get a copy of your manuscript on the Coins of the West Indies, and also if there are any other books or Catalogs on the Subject.

Yours very truly
Viggo F. Ehrlich

Dear Sir:-

As I wrote you the other day from Bookline I would reply further on my return to New York. The following are the books that deal with West Indian Coins. All are out of print, and are rather hard to get hold of.

"A History of Currency in the British Colonies" by Robert Chalmers. London. 1893.

"Histoire Monetaire des Colonies francaises" by E. Zay. Paris. 1892.

"The Spanish Dollar is adapted for Currency in our West Indian Colonies" by J. B. Caldecott. In the British Numismatic Journal. Vol. I, 1903 - 1904. London. 1905. Possibly reprinted.

Under separate cover I am sending a copy of my monograph, which please forward to Mr. Thomsen with Mr. compliments.

I remain,

Yours very truly,

Curator.
